

Dr Ruth Reed

Co-Chair, Women and Mental Health Special Interest Group (WMHSIG), Royal College of Psychiatrists.

Consultant Child and Adolescent Psychiatrist, Oxford, UK. I have special interests in complex trauma, especially sexual harm and the impact of domestic abuse, through clinical work and through contributions to national policy and legislation consultations and fora. I also regularly contribute to the RCPsych's Equality & Equity workstream and have co-led the 25 Women in Psychiatry project for WMHSIG.
